The Homeschool Studio

Instructor: Isabel Perez

Location: In Person, Downstairs- Studio 1

This 2-hour class blends fine art techniques with your child's own creative expression. We strive to expose students to aspects of art history, current art makers, and the elements of art (line, space, color, balance, etc.), while letting them run a little wild with their own imagination and discover the museum. Supplies are included.

Ceramics- Hand building for Young Potters

Instructor: Staff

Location: In-Person Class, Upstairs - Ceramics Lab

This introduction to hand building class will teach the beginning methods of creating ceramic pieces. In the first session students will enjoy using clay techniques that include coil, pinch, and slabs. The second session will focus on continuing these techniques while exploring carving, stamping and textures in pottery. Sessions don't repeat so you can sign up multiple times with no prior experience. This class will work on different projects weekly, and the last class we will glaze and fire all the work. Pick up of finished work the following week. Open studio hours are not available for these classes. Please bring your own hand towel and smock. Supplies are included.

Private Class Lessons

Looking for one on one instruction? Private classes are great for artists that are interested in developing their skills and advancing them to the next level. These special lessons are especially great for artists who prefer focused one on one instruction or for someone who can't make it to a scheduled group class. All students who are interested should contact the Education and Public Programs Coordinator, Brittany Curtis at bcurtis@coralsprings.org for more information. Please include the times, days, and class subject you are interested in. Let us help create a class just for you! We look forward to developing your next private class experience.

In Person Class ID # MUS1V1-MUS1V1F

***Each session is 1hr at \$60 per session.**

Register for as many sessions as you would like.
