JUNE GATHERING

Agenda

This month we have an extra special panel discussion for the first time in a while! On the evening of June 13th at 6:30 pm join us for an enlightening conversation on “Art and Sustainability.”

Three of our current exhibiting artists, Milena Arango, and KXZ (Dana Kleinman, and Ruth Avra), will be joined by Dr. Andrea Lemaitre, the City’s sustainability manager. Together, they will delve into the intersection of art and sustainability, discussing how these artists integrate sustainable practices into their creative processes. The dialogue will explore innovative approaches to art-making while considering environmental impacts and sustainable solutions.

Non-members welcome to attend for $10 per ticket.

GUILD GATHERINGS

The Guild meets the second Thursday of the month from 6:30 - 8:30pm. Check in at the front desk to find your meeting location for the evening; don't forget to sign in and bring your Membership Card.

Remember Guild Members and eligible for Museum Membership benefits so don't delay, take part today!
Memory Quilt Community Project

Join artist Kristin Beck in honoring and highlighting Alzheimer's & Brain Awareness Month this June with her Memory Quilt community building project! Participants are invited to share their own memories to incorporate into the quilt. Fabric will be available to hand write memories, or participants may contribute a piece of fabric from a meaningful piece of clothing (ex: a baby's onesie or grandad's favorite shirt.)

Your participation in this community project will make this amazing and powerful collaboration possible! The finished quilt will be featured in an upcoming exhibition at the museum for all to admire. Have a story to share? Join us! No skill, no problem!

June 22, 2024, 10:30am to 12:30pm - Artist Talk Part II & Fabric Dropoff Day

- In this follow-up event, during Alzheimer's & Brain Awareness Month, Kristin will present the progress of the quilt with the incorporated fabric blocks from May. Watch and learn how Kristin assembles the Memory Quilt and how each piece contributes to the whole. This is also the last chance to contribute your own meaningful fabric to the project! Free and open to the public!

Mary Annmaise Heglar Book Signing
